Let me start by saying, that I hope and pray that upon receiving this letter, it finds you and your loved ones in the best of health & spirits.

My Name is George Vauet #01193-748.

I am an inmate that is being housed at the federal correctional institution Coleman-Medlem in Florida. I am writing due to a copy of a legal letter I received on May 18 from a Mr. Arner L. Karamigios from the A.U.S.A. office. I am not sure what to make out of this letter, because in this letter the government is agreeing with my 2255 successive petition for a writ of habeas corpus. In the letter, they are talking about vacating these two convictions 924(C) & 924(JS) that gave me a sentence of life on counts 2 & 4 and 120 months on counts 1 & 3. If they vacate these convictions, does this mean my life sentence would be re-moved.

I am trying to keep calm, because I have been incarcerated for the past 20 years.

if I am about to be released or returned back to court, I would like to know. I have not seen my family (mother) in 19-years and I would really like to be able to prepare her for whatever news that letter is referring to. I also wanted to ask if that letter was sent to my judge and what does it really mean because I really don't know that much about the law. I hope you can help me understand what this letter is telling me.

I thank you for taking the time, to read this letter. please pass on my Hopes & prayers to the judge and other court employees.

Sincerely

George Varnet.
